Earliest Priority Filing Date:
9/5/02
Format preferred for results:
Paper
Search Topic Information:

Please search claims 4, 13 and 14 of the Amendment filed on 7/12/06:
a core 2, a surface material 3, ligneous plates 5, adhesive sheets 10 and decorative material 4. The adhesive sheets 10 comprises a non-woven base material (i.e., fibers, non-woven polyesters, nylon. See claims 13 and 14) in which a moisture resistant adhesive resin is permeated. See paragraphs [0036] and [0037] of Publication No. 2005/0039566 A1.

The main thing I am looking for is the adhesive comprising non-woven material (fibers). Thank you.
Special Instructions and Other Comments:
